1. Change Professional Dog Barding in Boca Raton to “Resort-Style Luxury Boarding,” then underneath that phrase, put in a smaller type “A Hidden Gem in Busy South Florida” or something like that. I’m not sure what you need to do for SEO ranking.
2. For the description underneath the title and subtitle, put this instead: “Nestled among horses, farms, and lush nurseries, our resort-style luxury dog boarding facility offers the perfect countryside retreat for your pup while you’re away. Your fur baby will enjoy lots of cuddles, belly rubs, and ear scratches throughout the day—always included. Elevate their stay with customizable add-ons like extra playtime, gourmet doggie treats, additional walks, and more. At Woof Dogs, your pet is treated like family, because that’s exactly what they are.
3. When they click “Book Boarding,” it should go to a Meet & Greet form. We require all new dogs and any dog that hasn’t

had a booking in over two years to have a Meet & Greet. Please create a new form for this. The form should also include their requested booking dates, and it should state that someone will contact them within 1 business day to set up the reservation.

4. Can we change the “call us” button to dial our main number? On my computer, it wants to complete a FaceTime call.

Frequently Asked Questions

Have questions? We've got answers.

What should I bring for my dog's stay?

Can I visit my dog during their stay?

What happens if my dog gets sick?

Do dogs get to socialize with other dogs?

What is your cancellation policy?

Are there discounts for extended stays?

Q1. Remove vaccination records and favorite blanket or toy.

Q2. Remove webcam and state “We provide photos when possible and updates upon request.”

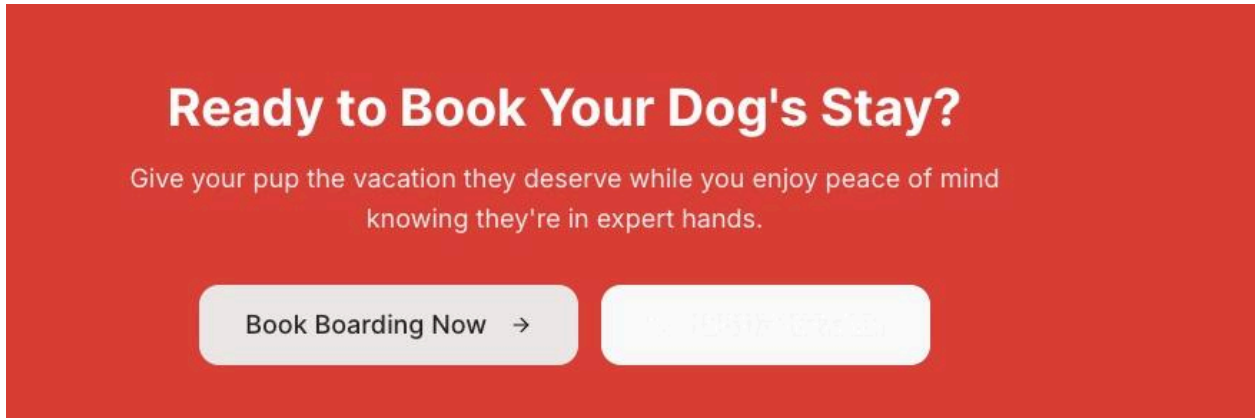

Q4. Change to: Yes, *when it's appropriate and safe to do so*. Dogs who pass our temperament evaluation may participate in supervised group play with compatible dogs of similar size and play style.

Group play availability depends on the dogs boarding at the same time, as well as individual temperament, energy level, and overall comfort. Because we never mix dogs simply to fill a group, social play is not guaranteed during every stay.

When group play is not available, dogs enjoy individualized care, enrichment activities, and one-on-one attention from our trained staff to ensure a fulfilling and relaxing stay.

Q5. Cancellation Policy: Change from 48-hour **to** 24-hour notice for cancellations. Change holiday bookings from 7 days **to** 14 days.

Q6. We offer a 10 night and 20 night package.
